CODS Journal of Dentistry

The Journal

CODS Journal of Dentistry is an official publication of College of Dental Sciences, Alumni Association, Davangere which is published biannually. The journal publishes original research articles, rare/interesting case reports, reviews and short communication related to all fields of dentistry.

Indexing

The Journal is presently indexed in National Science Library (Print ISSN 2230-8695).

Information for Authors

All the submitted manuscripts are the sole property of CODS Journal of Dentistry. The Journal committee reserves the right to edit manuscript to accommodate space and style requirements. Submitted articles should strictly adhere to the author instructions of the journal. The unaccepted articles will not be returned. All the articles have to be mailed/sent to the Editorial Office.

Copyright/Photo release

Authors are here by informed to submit the articles which should not have been published or submitted to other journal. The copyright of articles of other journals should not be violated. If it is found so, the original author may take lawful action towards the corresponding author. Photo release form signed by the patient has to be submitted or else eyes of the patient have to be blocked in extra oral photographs.

Disclaimer

The information and opinion presented in the journal reflect the views of the authors and not of the journals or its editorial board or its publisher. Readers are encouraged to confirm the information contained herein with other sources for the accuracy and completeness. For any clarification authors of the article have to be contacted.
