ANNUAL GENDER SENSITIZATION ACTION PLAN

Our Institution under the guidance of the Management, Principal, IQAC and other concerned committees have been conducting various gender equity programmes like International Women's Day annually,

Programs for the annual gender sensitization action plan must include:

1. International Women's Day on 8th March
2. Career enhancement programs
3. Education programmes on finance and empowerment.
4. Cancer awareness program.

Greater participation and feedback from the students and staff to IQAC and other committees will certainly help in meaningful implementation of these programmes and significantly play an important role in the shaping the career and all-round development of many bright and aspiring students.
