ANNUAL GENDER SENSITIZATION ACTION PLAN

Programs for the annual gender sensitization action plan will include:

1. International Women's Day on 8th March
2. Career enhancement programs
3. Cancer awareness program.
4. Value added courses
5. Programmes on substance, alcohol abuse & ill-effects on health.

Greater participation and feedback from the students and staff to IQAC and other committees will certainly help in meaningful implementation of these programmes and significantly play an important role in the shaping the career and all-round development of many bright and aspiring students.
