

COLLEGE OF DENTAL SCIENCES

DEPARTMENT OF PUBLIC HEALTH DENTISTRY

WORLD ENVIRONMENT DAY

JUNE 5th 2023

VENUE: COLLEGE OF DENTAL SCIENCES, DAVANGERE

The department of public health dentistry, college of dental sciences had organized the celebration of world environment day on 5-9-2023. The theme for the year 2023 was **“Beat plastic pollution”**.

The program comprised of a well scripted skit to create awareness among the public. The skit was played in the institution's open area at the entrance. The interns of the college did a wonderful act depicting the importance of preservation of nature.

All the teaching staff, non-teaching staff, interns and the general public attended the program.
